

BUSINESS OBJECTIVES

Vision

To assess risk and uncertainty in the ground and offer the best solutions for our clients

Mission

To create an independent consultancy that provides site specific, commercial, pragmatic and robust advice in clear and concise reports

Value 1

Integrity, honesty and openness in everything we do

Value 2

Attention to detail and a culture of 'Right First Time'

Value 3

Being reliable and taking responsibility. Showing initiative and enthusiasm but knowing our own limits

Value 4

Delivering robust, site-specific professional opinions with clarity & understanding

Value 5

Never compromising on health & safety

Value 6

Valuing the team & individuals within it. A growth mindset & a commitment to training & developing ourselves & those around us to the highest standards
